FREINDS OF HOPE SCHOLARS

What is the Hope Scholars Program?

The Hope Scholars Program is a holistic student support program committed to supporting students who identify as current or former foster youth, under legal guardianship, unaccompanied homeless or disconnected. Our family-oriented program strives to support Hope Scholars by offering an array of services including priority registration, scholarships, year-round on campus housing, personal and academic counseling, individual tutoring, employment opportunities, personal and professional workshops, referrals to on and off campus resources and much more!

The Mission of Friends of Hope Scholars!

The Mission of "Friends of Hope Scholars" is to collaborate with the UCSD community to support our students in gaining educational and career guidance while building lasting relationships. We hope our Friends of Hope Scholars can serve as role models and assist our students with their post-graduation transition into self-sufficiency!
